

hockey for all: year one program update

Over \$3M donated

We donated over **\$3 million** in funds to organizations whose goal is to make hockey more accessible to underserved communities, benefitting over **290,000 youth**.

We provided financial support to help over 166,000 kids lace up and get on the ice.

Provided financial support to **166,000 kids**

Taught **1200+** young women

We hosted five Girls HockeyFest events which taught over 1200+ young women across Canada skills on and off the ice.

We launched Alberta's first outdoor accessible rink for hockey players with disabilities.

Increased accessibility for **3000+** para hockey players

Introduced **250 new** Canadians to hockey

In partnership with Hockey 4 Youth, we provided equipment to over 250 Canadian youth who played hockey for the first time.

We helped provide over 2500+ pieces of equipment to Indigenous communities through Project North.

Donated **2500+** pieces of equipment

Collaborated with **17 organizations**

We provided financial support to 17 philanthropic organizations who are all working to make *hockey for all*.
